### To Norma and Marlan

Valentine's Day arrives once a year,  
In that way it is the same as hunting season.  
Today the pressure is on me to find words that are dear,  
Quite unlike that time of the year when I hunt deer beyond reason.  
So many days I come and go,  
holding a laptop, a shotgun, a rod or a bow,  
But today I want you both to know  
I love you.  
Nelson

### To Prudy Dubya,

After all these years you still light my heart on fire.  
All my love, Your Tommy

### Julie, Julie the ZBA Clerk

Haven't called, feel like a jerk.  
Look in your eyes, my heart goes berserk.  
Let's go to the P.A. some night after work.  
Love, Wayne

### Al-Pal,

Love you, miss you.

As complex as life can sometimes seem with kids, work, kids, then maybe sleep, I'd choose no other to be on my team, than you, for whom my love runs so deep.

### From Sam to Cary

I do not think one could conceive of a love more exclusive, more tender, or more pure than I have for you. I think it is immortal, a thing which happens seldom.

Babe,  
I love you. I love our family.  
I look forward to our future.  
Love always,  
Carrie

Bill,
