To Whom it May Concern:

The Division of Marine Fisheries (MA DMF) met with the applicants of the Martha's Vineyard Shipyard proposed marina construction project, James and Phil Hale, as well as their consultants, Pamela Neubert and Charles Agro, at MA DMF's South Coast Field Station in New Bedford on January 13, 2020. The purpose of the meeting was to discuss the MA DMF comment letter to MEPA (dated Nov. 27, 2019) and their rebuttal letter (dated December 4, 2019). Following the Jan 13 meeting, the applicant drafted a summary of items discussed at the meeting that address some of the concerns raised by MA DMF in our initial letter to MEPA. MA DMF has reviewed the meeting summary (dated January 27, 2020) and feels that it accurately summarizes the main meeting outcomes.

Sincerely,
