Dear Domestic Workers,

Martha's Vineyard Island's health and safety leaders are inviting you to an important meeting to discuss the critical COVID-19 issues affecting all Islanders. The purpose of this meeting is to exchange information and develop strategies to address this pandemic. Your questions and input are very valuable. With your help, Martha's Vineyard's Brazilian community can have access to the most current COVID-19 guidance that will keep all of us safe. Everyone is at risk of contracting and spreading this virus. We must all do our part.
